March 19, 2014

Fellow IFSHA Members,

The IFSHA Board of Directors is pleased and excited to announce that IFSHA has been granted a USEF Presidential Rule Modification to rule FR101.4a. The original rule states a part bred Friesian must be 50% Friesian with one purebred Friesian parent. The rule change proposed by the IFSHA Board of Directors will strike the portion of the rule that states one parent must be a purebred Friesian. Until the proposed rule passes, a USEF Presidential Modification was granted on March 19th, 2014.

What this means is that for the year 2014 all part bred Friesians 50% or greater may compete in any IFSHA competition. IFSHA is a horse show organization and this will allow for IFSHA to be inclusive of all Friesians of mixed heritage and give them the opportunity to compete under the rules of IFSHA and the USEF.

We look forward to welcoming new members to The International Friesian Show Horse Association and the United States Equestrian Federation.

Sincerely,

Sandy Jacob IFSHA President
